The Project Collection

Glacier Pro

A sturdy one-piece shell in matte black, built for a daily cold ritual at home or in the gym.

Glacier Steel

An oval stainless steel plunge with rounded ends and a brushed-metal finish, with no timber cladding.

Glacier Signature

Timber-clad with a steel rim — a statement piece for villas, wellness suites and hospitality.

Glacier Integrated

A white all-in-one plunge with the chilling system housed inside the tub body, without a separate external unit.
