SAUNAS · INSTALLED BY OUR TEAM ACROSS INDIA

The Haven Sauna Range

Every Haven cabin is crafted in spruce as standard, with 6 wood upgrades, 6 Ember heaters, 2 Pulse control panels and 4 Ritual accessory sets.

S-SERIES

Haven Classic

The traditional Finnish sauna cabin in warm spruce, with tiered benches and a solid timber door.

G-SERIES

Haven Glass

A full glass front that opens the room up to light and to your view.

IR-SERIES

Haven Infrared

Gentle radiant warmth from infrared panels, for easy everyday sessions.

C-SERIES

Haven Compact

A slim cabin made for apartments and smaller rooms.

SIZES

Size	Indicative width	Capacity
Small	approx. 1.2m–1.5m wide	1–3 people
Medium	approx. 1.4m–1.9m wide	4–6 people
Large	approx. 1.9m–2.2m wide	6+ people

MODELS

Model	Size	Description
Haven Classic S-01	Small	A compact traditional cabin for 1–3 people — perfect for private sessions and smaller spaces.
Haven Classic S-02	Medium	A versatile cabin for 4–6 people, ideal for families and shared sessions.
Haven Classic S-03	Large	A generous room for 6 or more — for larger homes, clubs and wellness spaces.
Haven Glass G-01	Small	A 1–3 person cabin with a full glass front that brings in light.
Haven Glass G-02	Medium	For 4–6 people — spacious comfort behind a clean glass façade.
Haven Glass G-03	Large	A 6+ person statement sauna with a wide, striking glass front.
Haven Infrared IR-01	Small	A compact infrared cabin for 1–2 people with gentle radiant warmth.
Haven Compact C-01	Small	A slim, space-saving cabin made for apartments and smaller rooms.

Sizes are indicative; final dimensions are confirmed per project. Pricing on request. As of 2026-11-08 — confirm current details on vyrowellness.in.

WOOD OPTIONS

Wood		Character
Spruce	Standard	Pale, light and clean-grained — fitted as standard on every Haven cabin.
Thermo Pine	Upgrade	Heat-treated pine with a deep caramel-brown tone.
Hemlock	Upgrade	Even, straight grain in a soft light-honey colour.
Cedar	Upgrade	Warm golden-brown tones with its familiar aroma.
Red Cedar	Upgrade	Rich reddish-brown wood with strong natural character.
Aspen	Upgrade	Very pale, smooth and nearly knot-free.
Eucalyptus	Upgrade	Warm reddish tones with a fine, dense grain.

EMBER HEATERS

Heater	Type	Description
Ember E-01	Floor Heater	A stainless floor-standing heater with an open stone basket for rich, even heat.
Ember E-02	Tower Heater	A tall cylindrical tower holding a large stone mass for a soft, steamy atmosphere.
Ember E-03	Floor Heater	A matte black heater with a deep separate stone compartment.
Ember E-04	Wall-Mounted Heater	A space-saving stainless wall heater with a wide stone tray.
Ember E-05	Tower Heater	A slim black tower that suits modern interiors and corner placement.
Ember E-06	Wall-Mounted Heater	A classic wall heater with simple built-in knobs — traditional and easy to use.

PULSE CONTROL PANELS

Panel	Type	Description
Pulse CP-01	Button Control	A simple wall-mounted panel with two buttons and a clear display.
Pulse CP-02	Touch Control	A sleek black-glass touch panel with a single glowing dial.

RITUAL ACCESSORY SETS

Set	Finish	Includes
Ritual Classic	Spruce	The essentials — bucket, ladle, climate gauge and towel.
Ritual Essential	Spruce	A fuller set with backrest, headrest, sand timer and towels.
Ritual Signature	Black & Spruce	Matte black pieces with spruce handles, for a refined ritual.
Ritual Noir	Black	A bold all-black geometric set with waffle towel and headrest.

HOW IT COMES TOGETHER

01

Space Assessment

We review your floor plan, electrical layout and ventilation requirements.

02

Bespoke Specification

Dimensions, timber and finishes tailored to your architecture.

03

White-Glove Installation

Delivery, installation, commissioning and ongoing support in India.
